-  1994-05-30

Experience

- 2018-01 - 2018-03

Project Manager

UCSD: Design for Development

In this project-based course, I managed a group of 7 people to redesign the User Interface of an existing differential diagnosis app. I was responsible for delegating work, monitoring our progress, helping run weekly meetings, and making sure we met our deadlines. We identified our stakeholders, conducted user interviews, designed and tested prototypes, and created a plan for implementation.
- 2017-01 - 2017-06

Tutor

Wunderling Learning Center

Tutored Elementary and Middle School aged children in reading, spelling, and math.
- 2014-06 - 2014-08

Camp Counselor

Imagineerz Camp

Co-led a classroom of 24 children and facilitated activities that educated them about the design process (Design lab), gave them tools for problem solving and overcoming obstacles, as well as emotional awareness.

Education

- 2017-09 - present

University of California, San Diego (UCSD)

Working towards a B.S. in Cognitive Science with a Specialization in Design & Interaction. Minorng in Computer Science.

Skills

- Java Programming
- HTML/CSS
- JavaScript
- Photoshop
- Organization
- Communication & Leadership

Languages

- English
- Hebrew
