University of California, San Diego - *Class of 2020*

- Pursuing a B.S. in Cognitive Science, with a specialization in Design & Interaction
- Minoring in Computer Science
- GPA 3.7

Skills

Java

HTML/CSS

JavaScript

Photoshop

Organization

Communication & Leadership

Experience

01/2018 - 03/2018 **Project Manager**

UCSD: Design for Development

In this project-based course, I managed a group of 7 people to redesign the User Interface of an existing differential diagnosis app. We identified our stakeholders, conducted user interviews, designed and tested prototypes, and created a plan for implementation. I was responsible for delegating work, monitoring our progress, helping run weekly meetings, and making sure we met our deadlines.

01/2017 - 06/2017 **Tutor**

Wunderling Learning Center

Tutored Elementary and Middle School aged children in reading, spelling, and math.

Selected Coursework

COGS 3: Introduction to Computing (Front-End Development Tools)
