Sheer Edelman

EDUCATION

UCSD - current student

Undergraduate majoring in Cognitive Science with a specialization in Design and Interaction. Minoring in Computer Science.

EXPERIENCE

UCSD: Design for Sustainable Development— *Project Manager*

In this 4 unit course, I managed a group of 7 people to redesign the User Interface of an existing differential diagnosis app. I was responsible for delegating work, monitoring our progress, helping run weekly meetings, and making sure we met our deadlines. We identified our stakeholders, conducted user interviews, designed and tested prototypes, and created a plan for implementation.

Wunderling Learning Center, Los Altos, CA — *Tutor*

JANUARY 2017 - JUNE 2017

Tutored Elementary and Middle School aged children in reading, spelling, and math.

Saratoga Star Aquatics, Saratoga, CA — *Swim Instructor*
